 Wesola II Black Coal Mine - activated
 Kosciuszko-Nowa Black Coal Mine - activated
 Rokitnica II Black Coal Mine - activated
 Mortimer III Black Coal Mine - activated
 Nowy Wirek Black Coal Mine - activated
 Brown coal strip mine, Konin - under construction
 Kasia Strip Mine, Pszczyna Powiat - activated
 Mszana Black Coal Mine - under construction
 Julian Black Coal Mine - under construction
 Porabka Black Coal Mine - under construction
 Halemba Black Coal Mine - under construction
 Zinc mine, Chrzanow Powiat - under construction
 Zinc mine, Olkusz Powiat - under construction
 Iron ore mine, Czestochowa Powiat - under construction
 Copper mine, Boleslawiec area - activated
 Potassium salts mine, Kłodawa - under construction
 Iron ore mine, Kielce area - under construction

Metallurgy

Lenin Metallurgical Plant (Huta imienia Lenina) - under construction (several auxiliary installations have already been activated)

Boleslaw Bierut Metallurgical Plant (Huta imienia Bolesława Bieruta) - two blast furnaces activated, steelmill and pipe rolling mill under construction

Warszawa Metallurgical Plant (Huta "Warszawa") - under construction

STAT

Kosciuszko Metallurgical Plant (Huta "Kosciuszko") - blast furnaces activated

Bobrek Metallurgical Plant (Huta "Bobrek") - rolling and blooming mill activated

Pokoj Metallurgical Plant (Huta "Pokoj") - reconstructed and expanded

Batory Metallurgical Plant (Huta "Batory") - reconstructed and expanded

Bailldon Metallurgical Plant (Huta "Bailldon") - reconstructed and expanded

Iron foundry, Nowa Sol - activated

Iron foundry, Kielce - activated

Aluminum metallurgical plant, Skawina - under construction

Engineering and Electrotechnical Industry

Electric motor factory, Tarnow - activated

Swierczewski Factory (Fabryka imienia Swierczewskiego), Warsaw - activated

FSO (Fabryka Samochodow Osobowych, Passenger Car Factory), Zeran - activated

Warsaw factory for construction machinery - activated

Boiler and radiator factory, Chojny (Lodz) - activated

Gdansk Shipyard (Stocznia Gdanska) - activated

Szczecin Shipyard (Stocznia Szczecinska) - activated

Gdynia Shipyard (Stocznia Gdynska) - activated

Raciborz Machine Tool Factory (Fabryka obrabiarek "Raciborz") - activated

Technical equipment factory, Raciborz - activated

FSC (Fabryka Samochodow Ciezarowych, Truck Factory), Starachowice - reconstructed and expanded

FSC (Fabryka Samochodow Ciezarowych, Truck Factory), Lublin - activated

Harvesting machine factory, Staroleka - under construction (partially activated)

Ursus Machine Shops (Zaklady Mechaniczne "Ursus") - reconstructed and expanded

Swierczewski Machine Shops (Zaklady Mechaniczne imienia Swierczewskiego), Elblag - activated

Chemical apparatus factory, Nysa - activated

Electrical apparatus and machine factory, Bydgoszcz - activated

Electrical machine factory, Wroclaw - activated

Machine and fittings factory, Kielce - activated

Two electrotechnical factories, Warsaw - activated

STAT

Zacdzanskie Enterprises for Construction of Railroad Cars and Bridges
(Zacdzanskie Zaklady Budowy Wagonow i Mostow) - activated

Antifriction bearings factory, Krasnik - activated

Thermal-Electric and Hydroelectric Power Plants

Jaworzno I thermal-electric power plant - activated

Jaworzno II thermal-electric power plant - activated

Electric power and heating station, Zeran - under construction

Miechowice (Slask) electric power plant - activated

Zabrze electric power plant - activated

Electric power plant, Konin - under construction

Hydroelectric power plant, Dychow - activated

Electric power plant, Ostroleka - under construction

Reservoir, Goczalkowice - under construction

Electric power plant, Czachnica, Dolny Slask - under construction

Enterprises of the Construction Materials Industry

Zeslawice Brickyard (Cegielnia "Zeslawice"), near Nowa Huta - activated

Zielonka Brickyard (Cegielnia "Zielonka"), near Warsaw - activated

Odra Cement Plant (Cementownia "Odra") - activated

Wierzbica Cement Plant (Cementownia "Wierzbica") - activated

Rejowiec Cement Plant (Cementownia "Rejowiec") - activated

Woszczele Brickyard (Cegielnia Woszczele), Bialystok Powiat - under construction

Szczytno Brickyard (Cegielnia Szczytno) - under construction

Wiek II Cement Plant (Cementownia "Wiek II") - under construction

Dolina Nidy Gypsum Combine (Kombinat Gipsowy Dolina Nidy) - under construction

Horodyszcze Brickyard (Cegielnia Horodyszcze), Lublin Wojewodztwo - under construction

Debica Brickyard (Cegielnia Debica), Krakow Wojewodztwo [sic; probably should be Rzeszow] - under construction

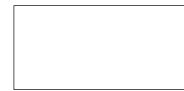

Pressboard factory, Czarna Woda - activated

Pressboard factory, Koniecpol - activated

Pressboard factory, Ruciany - under construction

Augustow glassworks, Suwalki - under construction

STAT

Chemical Plants

Chemical Combine (Kombinat Chemiczny), Dwory near Oswiecim - under construction
Kedzierzyn nitrogen plants - activated
Electrode factory, Raciborz - activated
Artificial Fibers Enterprises (Zaklady Wlokiens Sztucznych), Gorzow - activated
Sulfuric acid factory, Busko - under construction
Chemical factory, Klodawa - under construction
Nitrogen Compounds Plants (Zaklady Zwiaskow Azotowych), Tarnow - activated
Sulfuric acid plants, Wizow - activated
Soda Plants (Zaklady Soda), Krakow - activated
Soda Plants (Zaklady Soda), Inowroclaw - activated
Cellulose and artificial fiber factory, Jelenia Gora - under construction
Paper mill, Skolwino - under construction
Paper mill, Niedomice - under construction
Paper mill, Kostrzyn - under construction
Artificial Fiber Mills (Zaklad Wlokiens Sztucznych), Tomaszow - reconstructed and expanded
Artificial Fiber Mills (Zaklady Wlokiens Sztucznych), Szczecin - reconstructed and expanded

Textile, Leather, and Other Enterprises

Andrychow Textile Combine (Kombinat wlokienniczy "Andrychow") - partially activated
Obroncow Warszawy Garment Enterprises (Zaklady Konfekcyjne imienia Obroncow Warszawy) - activated
Textile combine, Piotrkow - activated
Polska Welna Woolen Mills (Zaklady Welniiane "Polska Welna"), Zielona Gora - activated
Thread factory, Nowa Sol - activated
Textile Combine (Kombinat Wlokienniczy), Zambrow - under construction
Textile Combine (Kombinat Wlokienniczy), Fasty - under construction
Enterprises of the footwear industry, Chelmek - reconstructed and expanded

STAT

Enterprises of the footwear industry, Otmet - reconstructed and expanded
Footwear combine, Nowy Targ - under construction

Flax-retting plants, Lubaczow and Bielsk Podlaski - activated

Agricultural and Food-Processing Plants

Sokolow Sugar Refinery (Cukrownia Sokolow) - activated

Brewery, Lublin - activated

Brewery, Bialystok - under construction

Brewery, Warsaw - under construction

Fats-processing plants, Klemensow - under construction

Fats-processing plants, Kruszwica - under construction

Seven large industrial cold storage plants, including those in Kolobrzeg,
Swinoujscie, and Olsztyn - activated

Twelve fruit and vegetable canning plants - activated

Czyzyny tobacco processing plant - activated

Fish-processing combine, Kolobrzeg - activated

Fish-processing combine, Swinoujscie - activated

Fish Cannery (Fabryka Konserw Rybnych), Gazycko - under construction

Tarnow sugar refinery - under construction

Communication and Transportation

Kielce-Busko railroad line - activated

Pyskowice-Lubliniec railroad line - activated

Janow-Lazy railroad line - activated

Skierniewice-Lukow railroad line - activated

Gdansk-Sopot-Gdynia railroad line - electrified

Warsaw-Zyrardow-Skierniewice railroad line - electrified

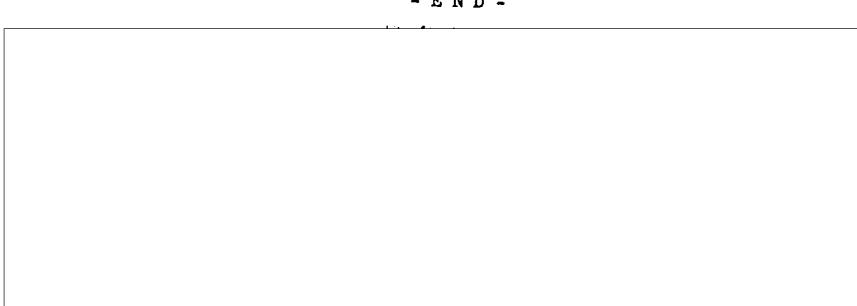

Gdansk port - rebuilt

Gdynia port - rebuilt

Szczecin port - rebuilt

Warsaw-Stalinogrod railroad line - electrification in process
